International Wine Report

"First planted in 1995, the Bunker Hill Vineyard is located in the Salem Hills and receives winds from the Pacific Ocean through the Van Duzer Corridor. The resultant wine starts off with aromas of vanilla, peat moss, and ripe pineapple. The minerality and intensity to this wine is highly satisfying, as is the richness and brightness that shines through. Poached pear, marzipan, crème brûlée and apricot flavors come to mind as the wine showcases an exotic edge."
